## RELAX IN THE OASIS

The Pench Tiger reserve lies in the southern Madhya Pradesh bordering the Maharashtra state. It is 759.90 Sq.kms. With a wide varieties of about 1200 species been identified in the regions including the several rare and endangered plants and also including plants that are ethno-botanical importance. Pench is a prime tiger country. The area has always been rich in wildlife which is especially famous for its huge population of Gaur (Indian Bison), Leopard, Sambhar, Neelgai, Wild dog and wild boars.
